

KEERTHI NARASIMHA BHARATHI

3D CHARACTER ANIMATOR

3dbykeerthi@gmail.com 

 [Linkedin](#)  [Website](#)

Anncy, France 

3D Character Animator Student specializing in creating natural, expressive, believable & story driven performances. Experienced in developing character acting shots in collaborative production environments. Graduating from **Bachelor 3D Character Animation at Gobelins - 2026**

Seeking for a **6 Week Internship** or **Full Time Position** from **July 2026** - to contribute, grow and improve professionally.

Experience

July - Aug 2025

3D Animator Intern-Iksa Studios

- Animated **10 realistic character shots** and 2 walks (human, kid, feline) up to advanced blocking within a 6-week production schedule.
- Applied **strong body mechanics, weight transfer** and species-specific movement for **felines**. Conveyed **clear emotions** through intentional **posing** and **silhouette** clarity.
- Sharpened time management skills, leading to increase in speed and **efficiency**.
- **Collaborated** closely with Animation Director and Director to meet project requirements and integrate character performance at tight production limits.

Mar - Apr 2026

3D Animator For Anncy Festival 2026

Worked as a Character Animator in a **team** to deliver a 15-second animated Short for the **Anncy Festival**, with equal contributions spanning **body mechanics and character performance** in **Blender**.
